EXTERNAL JOB VACANCY

POSITION: **GENERAL PRACTICE NURSE**

LOCATION: **Lugmeen, Co Leitrim and Boyle, Co Roscommon**

HOURS: 24-30 hours per week, Monday to Thursday.

CONTRACT: Permanent, Part-Time, 3 – 4 days per week

SALARY RANGE: €28 - €31 per hour TBA

ROLE OVERVIEW: An opportunity has arisen for an experienced GP Practice Nurse to join the established team at Drumkeeran Health Centre, Co. Leitrim, and Keadue Health Centre, Co. Roscommon. Both practices are located in rural communities, approximately 15 minutes apart, and operate as linked sites. The successful candidate will work across both locations, with flexibility required.

The role will consist of general nursing responsibilities such as phlebotomy, assessing and counselling patients, vaccinations, assisting with procedures and nursing administration issues. Delivery of the chronic disease program and women's health services is a key element of the job.

This position offers an excellent opportunity for an experienced Practice Nurse seeking a rewarding role within two community-based rural general practices.

QUALIFICATIONS AND EXPERIENCE:

- Registered General Nurse with current registration with NMBI
- 1 Years' experience in General Practice
- Familiarity with computers is essential.
- Excellent interpersonal skills, professional, honest, reliable and trustworthy
