

IPNA LOYALTY AWARD 2019

This annual award was originally launched in 2006 in memory of our friend and colleague Valerie Mangan (R.I.P.) who believed that members should attend their local branch meetings so that the association would continue to grow and develop as a strong body of practice nurse professionals.

The award has subsequently been extended to also recognize and acknowledge many of our dear friends and colleagues who have passed away also.

The format of the award is as follows:

The names of all IPNA members who attended at least six branch educational meetings between 1st September 2018 and summer 2019 will be submitted and sent to the NEC before the closing date below. The draw will take place during the 2019 IPNA Annual Educational Conference.

The winner will receive an educational bursary of € 1,000 (from IPNA) in recognition of their attendance at all their branch meetings.

Each branch should submit a list of all active members who attended at least six branch meetings between 1st Sept 2018 and Summer 2019
