

# ONSPres

Malnutrition  
Research Study

**ONSPres webinar:  
Key findings and  
panel discussion on  
opportunities for  
healthcare research  
and action.**

**Thursday March 10th 2022**

**12:30-2:30pm**

**Online via Zoom**

## **Speakers & panellists:**

- **Representatives from dietetics, physiotherapy, pharmacy, and medicine**
- **HSE representatives for nutrition support, older persons, and frailty**
- **National health and social care professions office**

The ONSPres Study examined malnutrition identification and management and oral nutritional supplement prescribing in primary care in Ireland. An online education programme was developed for healthcare professionals.

**REGISTRATION OPEN TO ALL**
