

# EXTERNAL JOB VACANCY

**POSITION:** GENERAL PRACTICE NURSE

**LOCATION:** Kilmoganny, County Kilkenny

---

**ROLE OVERVIEW:** Kilmoganny Health Centre are seeking a compassionate and motivated Practice Nurse to join our team in Kilmoganny, County Kilkenny.

As a Practice Nurse, you will play a key role in delivering high-quality primary care services to patients of all ages. You will work closely with our 2 GPs, Practice Manager and administrative team to support both acute and chronic care needs. Previous GP Practice nursing experience is preferred although not essential. Having experience in cervical check, childhood immunisations and CDM is an advantage to applicants.

Hours flexible (18-24 hours per week). Competitive salary based on experience.

This is an excellent opportunity to work in a supportive environment where patient-centred care is at the heart of what we do.

## **CORE RESPONSIBILITIES INCLUDE:**

- Chronic disease management – reviews and maintenance of relevant databases
- Administration of childhood, adult vaccinations
- Phlebotomy, venesection and specimen collection
- Health promotion, screening, and patient education
- Wound care, dressings and basic clinical procedures
- Ear irrigation
- Cervical screening
- Administration of medication / injections
- Supporting preventative care initiatives
- Working collaboratively with GPs and the wider practice team
- Maintaining accurate clinical records using practice software (Socrates)
- Ensuring high standards of infection control and patient safety
- Stock ordering

*Advertised on behalf of an external organisation.*

*IGPNEA staff have no further information on any advertised external roles.*
