

EXTERNAL JOB VACANCY

POSITION: PRACTICE NURSE

LOCATION: Catherine Street, Waterford

ROLE OVERVIEW: A well-established GP training practice is seeking a permanent, part-time, third nurse to join their experienced and supportive team. Working alongside two experienced practice nurses, the successful candidate will benefit from a fully computerised practice, excellent administrative and GP support, and a well-organised working environment. No out of hours, lovely work colleagues, and great support from experienced team

Training and mentorship can be provided for the right candidate, making this an excellent opportunity for professional development. Flexibility in terms of ETC arrangements is also available for a suitable applicant. CPD support, also.

Anyone interested in a new opportunity within a friendly and progressive practice is encouraged to make contact for an informal discussion.

Ideally start date is the beginning of July 2026.

CORE RESPONSIBILITIES INCLUDE:

- Immunisations
- Chronic Disease Management
- Phlebotomy
- Wound Care
- Women's Health
- Men's Health
- Travel Vaccinations
- ECGs
- Health Promotion

Advertised on behalf of an external organisation.

IGPNEA staff have no further information on any advertised external roles.
